

Child ID Card Fundraiser

FAMILYIDKIT.com is your resource on the Internet that provides a high quality child ID card for kids! Parents can customize a child ID and have it printed professionally on durable plastic.

The Child Photo ID & Medical Emergency Card provides a color photo of the child with key descriptive information, medical & allergy data, and emergency contacts for three people and their phone numbers. It provides the information necessary for a quick and effective response to a missing child episode or medical emergency.

What are your costs?

Your group provides information about the program to parents through flyers and sending notes home. Other than this easy promoting, there is **absolutely nothing else you need to do!** Parents order cards directly from our web site and have them sent to the home...protecting their privacy!

They will receive three of the same card for \$14.95 You have...

- ❖ No collecting of money!
- ❖ No inventory!
- ❖ No upfront costs (beyond publicizing the program)!
- ❖ No distribution of product ordered!
- ❖ No standing in front of the school or church!
- ❖ Absolutely nothing else for you to do, except, cash your checks!
- ❖ And...as children get older they will need new cards...so, this is a multi-year program!

Pricing and Profit...How Much Will We Raise?

Your organization will receive **\$5.00** for every order we ship that uses your PROMO CODE

If you have cards ordered for 100 children, you will make \$500.00

If you have cards ordered for 300 children, you will make \$1,500

There is no minimum to the number of cards needed to be part of the program!
