

What does your Child ID Card Include:...

The Child ID Card contains valuable information that you need to provide to Police, First Responders, or Emergency Room Personnel in the case of a missing or lost child or if the child is in an accident.

Picture of child

Name, Address, City, State, Zip Code, PLUS... Child Nickname

Key Data such as Height, Weight, Date of Birth, Color of Eyes, Hair, and any identifying marks.

The names of three contacts with their phone and cell numbers in case they need to be reached in an emergency!

The Front of the card contains information about the child along with contact information. The Back of the card contains any medical information about the child that First Responders or Emergency Room Personnel would need to treat the child in case of an accident.

The card is about the same size as a credit card, and can easily be carried in a wallet, purse, backpack, etc. We recommend you order three cards. One for each parent or caregiver, and the other for the child to carry.

The back of the Child ID Card contains valuable information pertaining to the child's health. With this information, First Responders and Emergency Room Personnel will have the data necessary to treat your child.

The back of the card allows you to include any information pertaining to allergies your child might have.

It is important to have the names of the child's Doctor and Dentist along with their phone numbers in the case of an emergency.

Allergies:
peanuts, bee stings

Medicine/Medical Condition(s):
taking 1 aspirin a day

Doctor: Dr. Jones
Doctor Phone: 630.555.1245
Dentist: Dr. Alexander
Dentist Phone: 630.555.6565

If your child is taking any medication, it is critical that First Responders and Emergency Room Personnel know for treatment of the child.
