Prior to ordering your Child ID Card, you'll need to have this information ready to enter on the Order Form:

Information You'll Need Prior to Ordering Cards:

1. Be prepared to upload an image of your child for the ID, so know in advance where on your computer the picture is located. It may be cropped to fit card.
2. Items with an * must be entered...they include:
Child's name, address, Date of Birth, Gender, Height, Weight
Hair Color, Eye Color
3. Optional Items (but highly recommended):
Any Identifying scars or birth marks
Names of three contacts and their Primary Phone and Cell Numbers
Any Allergies
Any Medicines
Medical Condition or History
Primary Physician and phone number
Physician or Dentist and phone number (we recommend using Dentist)
4. PROMO Code if you have been provided with one.

When you get to the placing of the order through our secure service PayPal, we recommend taking advantage of our 3 for 2 offer. You'll get three of the same card for \$14.95.

Once you have the above information, please click on the Order Child ID to be taken to the form you'll need to complete for placement and payment of order.
